Objectives:

Dedicated and creative individual with analytical and problem-solving skills, committed to delivering thoughtful and innovative solutions. Passionate about working in team environments and contributing to meaningful, goal-oriented results. Focused on learning, improving, and supporting organizational success through creativity, flexibility, and commitment.

Academic Details:

Srinivas Institute of Technology Mangalore	2022-present
B.E. Computer Science and Engineering	8.9 cgpa
Parijnan PU College Mangalore	2020-2022
Pre-University	95%
Bhagavathi English Medium School Mangalore	2020
SSLC	90%

Technical Skills:

- **Programming Languages:** C, Python, Java
- **Web Development:** HTML,CSS, Java Script
- **Database Management:** MySQL, MongoDB

Skills:

- Project Management
- Communication Skills
- Teamwork
- Leadership
- Time Management

Project:

- **Website for Recipe Finder**
- Developed an interactive web application using HTML, CSS, JavaScript.
- Designed a JSON-based database to support efficient storage and retrieval.

- **Network Anomaly Detection using ML(Ongoing)**

- Developed a machine learning-based framework for real-time network anomaly detection using algorithms such as RNN, KNN, and LSTM.
- Improved detection accuracy and reduced false positives by building a scalable and adaptive cybersecurity model.
- Implemented real-time packet capture and monitoring using Scapy to enhance live anomaly detection capabilities.

Internship:

- Cyber Security (Virtual Internship) from AICTE, Duration: 10 weeks.
- AI-ML (Virtual Internship) from AICTE, Duration: 10 weeks.
- Python Full Stack Developer (Virtual Internship) from AICTE, Duration: 10 weeks.

Certifications:

- “IT Specialist - Cloud Computing” from Certiport.
- “No SQL-MongoDB” by IBMCE.
- “Data Structure using C Programming” Certification from Ethnotech Academy.
- “Data Analytics using Excel (ITC)” Certification from Ethnotech Academy.
- “Advance Java Programming” Certification from Ethnotech Academy.
- “Database using SQL” Certification from Ethnotech Academy.
- “HTML 5 Application Development” Certification from Ethnotech Academy.

Languages:

- English, Kannada, Hindi, Malayalam, Tulu.

Achievements:

- Published research paper titled “Recipe Finder” in the Journal of Emerging Technologies and Innovative Research (JETIR), Volume 12 Issue 7, July 2025.
- Actively Participated in Hackathon.
- Actively involved in NSS awareness campaign and volunteering activities.
- Participated in District level Recitation competition in 2017.

Declaration: I hereby declare that the information furnished above is true to the best of my knowledge and belief.
