Objective

Enthusiastic and dedicated individual with analytical, problem-solving, and teamwork skills, along with hands-on experience in full stack development and software engineering. Passionate about developing scalable, efficient, and user-friendly real-world applications using modern technologies. Adaptable and committed to continuous learning, professional growth, and contributing to innovative technology solutions.

Education

- Srinivas Institute of Technology, Mangalore**
B.E. Computer Science and Engineering, 2022-2026 9.01 cgpa
- Parijnan PU College , Mangalore**
Pre-University, 2020-2022 95%
- Bhagavathi English Medium School , Mangalore**
SSLC, 2019-2020 90%

Projects

Website for Recipe Finder:

- Developed an interactive web application using HTML, CSS, JavaScript.
- Designed a JSON-based database to support efficient storage and retrieval.

Network Anomaly Detection using ML:

- Developed a machine learning-based framework for real-time network anomaly detection using algorithms like RNN, KNN and LSTM.
- Implemented real-time packet capture using Scapy to enhance live anomaly detection.

Personalised Dietary Health Tracking System:

- Developed a full-stack health tracking web application using React, Node.js, Express, and MongoDB.
- Integrated calorie tracking, nutrition analysis, and health insights using Edamam API and data visualization tools.

Internships:

- Full Stack Web Development (MERN) Internship – SuprMentr Technologies in association with NASSCOM Future Skills, Duration: 4 months
- Software Engineer Intern – MicroDegree Education Pvt Ltd Mangalore

Achievements

- Received Best Paper Award at ICRICS 2026 for the conference paper titled “Network Anomaly Detection Using Machine Learning”.
- Published research paper “Recipe Finder” in JETIR, Vol. 12, Issue 7, July 2025.
- Actively participated in a hackathon, collaborating with peers on a problem-solving challenge.

Technical Skills

- Programming Languages:** Java, C, Python
- Web Development:** HTML, CSS, JavaScript
- Database Management:** MySQL, MongoDB
- Tools:** GitHub, Visual Studio Code, MS Excel, Canva, Vercel, Render
- Operating Systems:** Windows, Linux

Skills

- Communication Skills
- Team Collaboration
- Leadership
- Time Management

Languages

- English
- Kannada
- Hindi
- Malayalam
- Tulu

Certifications

- No SQL-MongoDB by IBMCE
- IT Specialist - Cloud Computing from Certiport
- Advanced Java Programming Certification from Ethnotech Academy
- Database Using SQL Certification from Ethnotech Academy
